Information leaflet

2 day training course on Thursday 29th and Friday 30th August, on...

Awareness of End of Life Care

Opps Training is offering a fantastic opportunity for care professionals to undertake a 2 day training course on Awareness of End of Life Care.

The cost of the course is £99+VAT pp

Awareness of End of Life Care

Opps Training is offering a fantastic opportunity for Health care professionals to develop their knowledge in end of life care. Successful participants will achieve the EDI Level 2 Award in Awareness of End of Life Care.

There are no entry requirements for candidates, however participants must attend both days of the course and complete a workbook. This course is accredited therefore you will receive a certificate upon completion.

Areas the course will cover:

- Know different perspectives on death and dying
- Understand the aims, principles and policies of end of life care.
- Understanding factors regarding communication in end of life care.
- Know how to access the range of support services available to individuals and others.

Develop your knowledge
with **Opps** Training

What learners say about our health and social care courses:

I enjoyed the course very much and I felt it gave me the confidence to do my job to the best of my ability.

- Vanda Cialini, Sage Care

I found the course very useful, it helped me to understand my job better and I have definitely benefited from it. I have enjoyed the course very much.

Andrea Matisova, Quantum Care

Thanks to my tutor for her help, support and flexible approach.

- Andrew Mills, St Mungo's
